Mystery in the Library 2021 *Culprits in Cambridge*

Mystery in library returns to Waipā in April 2021.

The Ngaio Marsh Awards, in association with the Waipā District Libraries, invites booklovers to this event featuring four talented storytellers from the Waikato.

As crime writing has evolved from puzzle-like mysteries to novels delving deeply into people and places, it has continued to intrigue readers around the world. But what makes the genre so captivating?

2018 Ngaio Marsh Award finalist Nikki Crutchley will chair a panel that features 2020 Ngaio finalist Christina O'Reilly, and fellow 2021 Ngaio entrants KT Bowes and Dr Octavia Cade to discuss what draws them to tales of mystery and mayhem, how they create memorable characters, and the impact of our local settings and universal themes on their books.

Artists at Work *Te Awamutu 2021*

Following the disappointment of cancellation in 2020, Artists at Work makes a welcome return to Te Awamutu in 2021. And we are grateful to have retained the support of our original artists.

Take a glimpse into the creative process as local artists work on current projects in the Te Awamutu Library Community Room or come and join in with one of the variety of art classes which are available for both adults and children (spaces are limited).

Some artwork will be for sale direct from the artists.
