Membership

Annual subscriptions for the season are set at the AGM, usually in the region of \$100 for juniors and \$200 for seniors, with various concessions.

Full membership gives the option to receive a fob to access the stadium to play outside session times by feeding a light meter with \$1.00 coins.

The Cambridge badminton season starts in mid-February and continues to mid-December.

Club Captains are responsible for running Club Sessions. Coaching is available for juniors. The first session is free for all new members.

Our facebook page keeps members up-to-date with club notices, etc. A regular newsletter is also emailed to members.

Our Club

Cambridge Badminton Club celebrated its Golden Jubilee in 2017 having been established in 1967.

The Club aims to foster the sport of badminton by providing a venue for players of all ages and abilities to develop and enjoy badminton on a social and competitive level.

Club racquets can be used, but you do need non-marking shoes and the desire to join a friendly group of people enjoying a sport they love.

We extend a warm welcome to all new and returning members.
