

Poppy Penguin

- On a Winter morning when
- I woke up I saw a
- little baby penguin called
- Poppy standing beside my pillow.
- She was cold so I hugged
- her in my warm bed. Th
- Then I heard some splashing
- in the bathroom and Poppys

- Mum and dad were swimming
- in the bath. I gave them
- a tin of tuna and now they
- are my friends. By Niamh 5
